

# 学术报告

报告题目 : Catalytic Methods for Selective  
Functionalization of C–C  $\pi$ -Bonds

报 告 人 : Prof. Keary M. Engle

The Scripps Research Institute

报告时间 : 2018年4月25日下午16:00

报告地点 : 元素所石先楼学术报告厅

**Prof. Keary M. Engle :**  
**Appointment**

2015-present Assistant Professor

The Scripps Research Institute

2013-2015

NIH Postdoctoral Fellow with Prof. Robert H. Grubbs  
California Institute of Technology

## Education

2008-2015

D.Phil. in Biochemistry with Prof. Véronique  
Gouverneur and Prof. John M. Brown  
The University of Oxford

2008-2015

Ph.D. in Chemistry with Prof. Jin-Quan Yu  
The Scripps Research Institute

2003-2007

B.S. in Chemistry, Economics, Mathematics, and  
Statistics with Prof. Adam J. Matzger  
University of Michigan, Ann Arbor

## Research interest

Organometallic chemistry, Organic synthesis, and Catalysis.
